1. Minutes of the 118th meeting were read by the Chairman and approved without change.
2. Captain Macomb reported on the storage space for JANIS within the Navy Department. No satisfactory solution at this time in view of Navy's purported shortage of storage space. The Board appreciates the problem but believes same is the responsibility of Navy R.P.S.
3. Major Battles reported on his discussion with G-2 and OPD, regarding the matter of reconnaissance photo coverage. The method of coverage must be determined before same could be published. The matter will be discussed further. The possibility of publishing the engineering studies was also discussed. The method and format must be determined before this Board could attempt the additional work. The question will be considered further at some subsequent date.
4. The next two meetings will be held on Tuesdays instead of Mondays.
5. Col. Bicknell advised that the Processing Section, Publications Division, EXOS, has been cleared for reproducing TOP SECRET matter.
6. Cdr. Clinton reported that all typescript on JANIS 78 has been sent through J.T.S. for J.W.P.C. Typescript on next two studies will be sent as received.
7. Cdr. Clinton reported that JANIS 76 is now edited. Four chapters of JANIS 78 edited and approved. The balance, at least 50% complete, will be completed by deadline date without difficulty.
8. Lt. Van Rees suggested a reduction in the number of inserts and engravings, especially the multi-folds. Cdr. Clinton advised of the tendency and present policy to present more material graphically. The policy is in
